## THE FRABLE CHARGES

Select Council Will Have Itself Investigated by Itself.

### NO GREAT FLURRY ABOUT THEM

Member Connell Says He Doesn't Think Any Serious Charges Were Made, But a Charge Which He Thinks Was Made Was Pretty Nearly Right—Many Recommendations from the City's Chief Executive.

There was no great flurry at the select council meeting last night over the Frable charges. Mr. Westphal, under the head of new business, introduced a resolution directing that inasmuch as a member of the South Side board of trade, named George Frable, had charged South Side councilmen with having drawn money from the city treasury for work that was purported to have been done by street laborers, which work had never been done, that council direct a committee consisting of Members Laster, McCann and Thomas to investigate and report on the charges.

Mr. Connell thought the investigation should be conducted by select officers of the city not members of council. "To be investigated by ourselves," said he, "is like the sugar investigation." Mr. Manly thought the resolution was all right. As only South Side councilmen had been included in the charges, West Side members would be able to impartially conduct the investigation. Mr. Connell said that for his part he didn't think there were any charges made. It was simply stated at the meeting that money had been in judiciously expended by councilmen, and that is pretty nearly right, I guess," added Mr. Connell.

### SOME INSANITARY LOCALITIES.

The sanitary committee, which had made a tour of the city at the invitation and in company with the officers of the board of health, reported that certain sections of the city were in a "terrible insanitary condition." The Providence station house, Connor court in the Fourth ward, Doctor court in the Fourth ward, and parts of the Twentieth ward were particularly in need of sanitary legislation. The committee also recommended that the water supply of the city be analyzed monthly and reported upon to council.

Mayor Connell, in a communication, urged the resolution providing that the Leggett street bridge be removed to Wells street, and stated that the bridge would not fit the abutments, nor span the creek.

The mayor's communication recommending the purchase of the approaches to the proposed Roaring creek bridge from the estate for \$35,000 was adopted. The mayor noted council that the papers conveying Nay Aug park to the city had been executed and asked that provisions be made to pay the rental. He also called attention to the necessity of having a full report as to the condition of the mine workings in the city hall and suggested that R. G. Brooks be requested to make a thorough examination of the same and report his findings to council. A resolution to this effect was later adopted by the meeting.

Mr. Burns presented a petition of considerable length begging that the name of Fifth avenue in the Sixth ward, be erased from the city maps and changed to O'Boyle street. This resolution was referred to the streets and bridges committee.

### QUIBBLE OVER BRIDGE PLANS.

The resolution directing the city clerk to secure competent bridge plans for the proposed new bridges brought speeches from Messrs. Manly, Clemons and Roche. Mr. Manly wanted immediate action on the matter as it was his opinion that common council intended to tie up the bridge ordinance until such time as these competitive plans are submitted. Messrs. Clemons and Roche argued for the completeness and excellence of the city engineer's plans and inexpediency of the resolution. The resolution went to the committee on streets and bridges.

A resolution was introduced directing the Street Railway company to move its tracks to the center of the street on Cedar avenue at the Birch street intersection.

The only ordinance introduced was one providing for the paving of Franklin avenue between Spruce and Mulberry streets with vitrified brick. The resolutions were adopted and the ordinance referred to committee.

### POLES WILL BE TAXED

Mayor's Signature Has Been Attached to the Ordinance.

All telegraph, telephone and other poles supporting electric wires will be taxed 50 cents each, beginning April 1, 1895. The ordinance so providing was signed by Mayor Connell yesterday.

The ordinance was presented by Councilman Roche and is virtually the famous Browning measure which occasioned such heated opposition in the last councilmanic bodies. The Browning ordinance, however, if passed, would have placed a tax of \$1 on the poles and contained no provision for painting. The present measure stipulates that the poles shall be painted a uniform color within six weeks after they are erected.

### NO SMOKING ALLOWED.

Traction Company No Longer Tolerates Smoking on Platforms.

The Scranton Traction company has posted a new order prohibiting smoking on closed cars altogether, and allowing the devotees of the weed to smoke on only the two last seats of open cars.

The rule went into effect yesterday and notices have been placed in all the cars. It will do away with the crowding of platforms and be an appreciated move in the right direction.

### MONEY AND EFFORT.

Neither Are Being Spared by Green Ridge Wheelmen.

The bicycle races at the Driving park on Wednesday, Aug. 23 should, and will, no doubt, be well attended. The Green Ridge wheelmen have spared neither pains nor money to make the event a success.

It is a notable fact that bicycle racing has attracted double the crowds throughout the country than have horse races or any of the popular sports, and Scranton is not unlike the other cities in this respect. As on Fourth of July last, upward of 5,000 people attended the bicycle races at the Driving park and all left well pleased.

The races of Aug. 23 will, in every respect, equal those held July 4, and

## THE WAR IS STILL ON.

Traction Company Seeks Injunction in the Taylor Trouble.

In Judge Edwards' chamber yesterday Attorney Amersman and Watres, counsel for the Scranton and Traction company, petitioned for an injunction compelling Supervisors John Connolly and Abram Seal, of Old Forge township, from obstructing Contractor P. S. Page from building the street car tracks through the township. Mr. Amersman is president of the company and claims to have the right of way through Old Forge township granted by the former supervisors, David T. Jones and John Conway. The preliminary injunction has been granted and next Tuesday at 9 o'clock the final hearing will be given.

### FOR MAJOR WARREN.

Enthusiastic Meeting of the Ninth Ward Republican Club.

The rooms of the Central Republican club last night contained an enthusiastic meeting of the Ninth Ward Republican club, at which delegates to the following delegates were chosen: A. J. Colburn, Jr., Fred W. Fritz, and M. W. Lowry, alternates, Captain James M. Lohr, E. M. Verney and Walter M. Dickson.

Mr. Colburn presented the following resolution, and it was adopted with hearty unanimity:

Resolved, That the Ninth Ward Republican club heartily endorses the candidacy of Major Everett Warren for president of the State league of Republican clubs, and in so doing believes that it voices the united sentiments of Republicans of Northeastern Pennsylvania.

Major Warren and M. W. Lowry were appointed a committee on transportation. A large Scranton delegation is expected to attend the convention. There will be a mammoth mass meeting in the opera house at Harrisburg at night and all the state candidates will be present and deliver speeches. There will also be present several congressmen, who will speak.

### TO FIGHT FOR NATIONAL HONORS.

Judge, of the Excelsior, Is in Training in Philadelphia.

James Judge, of the Excelsior Athletic club, of this city, is now in training in Philadelphia for a fight with Morality, of New York, for the American amateur championship at 135 pounds. Judge is looked upon as a sure winner and is greatly feared by the metropolitan boxers. His excellent showing at the recent tournament in this city has inspired his friends with such confidence in his prowess and skill that they have concluded he is good enough to face the best man in the country.

### MAY HAVE A CROW.

Scranton Press Club to Have Its Own Race.

Oscar Wirtz, champion amateur junior single sculler of America, who raced in the Press club regatta has decided to remain in Scranton if he can secure employment.

In case he does remain, the Press club will engage him to race in their name and will enter him in all the regattas of the association. Built of the University of Pennsylvania team at one time, Judge is a first class sculler and a member of the Press club crew and it may yet be possible to also secure him.

Wood's College of Business and Short-hand.

To the Public. Since the organization of our school we have given to the citizens of Scranton and vicinity an advantage in the commercial and stenographic work equal to that of the best colleges in the largest cities.

More than 1,000 students have attended in a single year.

A Great Multitude has been inspired to higher living and have won important places in the business and professional world.

With the experience and success of the past we propose to give our patrons of the future higher, more practical, and thorough business and stenographic courses.

Conditions in the business world have changed. Schools must change to meet these conditions. Students must be taught to do as well as to think.

The faculty is an important factor in an institution.

Heretofore we have educated our students to be successful in the future.

No business school in the United States can exhibit a more competent, cultured and efficient class of aggressive teachers.

The college will reopen August 27. Day and night sessions. Our students, who have not completed the course, and prospective students, are invited to call. The office is always open.

FINE peaches, cheap. Courtena.

The Late Miss Edith Croft.

At a special meeting of the Luther League in conjunction with the Sunday School association, held on Aug. 18, 1894, the following resolutions were unanimously adopted:

Whereas, Almighty God in the exercise of His divine will has caused the death of Miss Edith Croft, therefore be it

Resolved, That it be a tribute to the memory of the departed to say that in regretting her death, we mourn for one who was in every way worthy of our respect and regard.

Resolved, That we sincerely condole with the family of the deceased on the dispensation with which it has pleased Divine Providence to afflict them, and commend them to Him who doeth all things for the best, and whose chastisements are meant in mercy.

Resolved, That this heartfelt testimonial of our sympathy and sorrow be forwarded to the family of our departed friend, and also for publication to the Young Lutheran and local papers.

## THE BEST CARD YET

Battle Royal Expected Between Keeley, Magnolia and Abagail.

### GREAT DAY FOR LONG SHOTS

The First of Four Good Trotting Races Will Start at 2 O'Clock. Horses Appear to Be Well Classified and Surprises Will Be in Order. Centaur Makes His Selections.

Thirty entries have been made for the four events comprised in the card for today's trotting races at the Driving park, and the racing committee has profited so well by the previous performance of the horses that they appear equally classified today. Several new horses are entered and will add to the uncertainty of the result.

The first race will be called at 2 o'clock, sharp, in order that the final heat of the last event may be determined by 5 p.m.

In the last race, which will contain seven starters, Keeley, Mollie, Magnolia and Abagail will furnish a battle-royal with chances equally favorable for all. The 250 class includes eight equally matched flyers, and if Jack, Luke, John Hosen and Daisy are not scratched the contest should develop plenty of excitement. Each succeeding meeting of the drivers has increased the strife among them and now that the wheat and chaff are separated and the horses are evenly distributed, the excitement of close finishes will be in order.

The card follows:

### ROAD RACE.

Flaxey, s. m., J. T. Richards. Fred, b. g., Alex. Dunn, Jr. Dash, b. g., Frank Hazard. Harry B. b. g., J. A. Swayze. Bud, b. g., Dr. John Wentz. John, b. m., John Hosen. George W. b. g., John Fritz.

300 CLASS. Frank H. br. g., F. C. Hazard. Billy, b. m., M. Sanderson. William, b. g., Frank Merrifield. John, b. m., Dr. John Hosen. Nick, b. g., R. C. Coyne. Kitty, s. m., P. Coyne. Dr. Chambers, b. g., R. B. Reynolds.

250 CLASS. Fanny Blair, b. m., G. M. Shelly. Pee Dee, b. m., M. H. Dale. Jack, b. m., Dr. John Hosen. Duke, b. l., L. T. Payne. Daisy, b. m., C. S. Sammons. Peet Hand, b. m., Frank Spencer. John, b. g., R. C. Coyne. John, b. m., F. C. Hazard. Abagail, br. m., Dr. Hosen.

240 CLASS. Mollie, b. m., A. L. Spencer. Magnolia, bl. m., Dr. John Wentz. Keeley, b. g., W. M. Jernyn. John, b. g., Dr. G. E. Hill. John, b. g., L. T. Payne. Johnny, br. m., Charles Schadt. Abagail, br. m., Dr. Hosen.

HORSES TIPPED TO WIN. "Centaur" admits that the last two races are decidedly open for several horses in each, but thinks the following selections are nearly correct:

Road race—Bud, 1; Fred, 2; Harry B. 3. 300 class—Nick, 1; Peet Richard, 2; Billy, 3.

250 class—Jack, 1; Duke, 2; John Hosen, 3.

240 class—Keeley, 1; Magnolia, 2; Abagail, 3.

In commenting on his selections, "Centaur" said: "Horty C, a stranger, and Fred in the first race may bring about a surprise, and either Frank H. or Billy may find better positions than have been assigned them."

"The 250 class make a very pretty puzzle. Jack should win if Dr. Hill is able to keep him in hand, Daisy's steadiness may put her in the first division and Pee Dee, if well driven, has a good chance. It is a very open event, however."

"Magnolia, Abagail and Keeley should give the hottest race that has been seen on the track this year, but Mollie or Tiff, only one of which will probably start, may upset all calculations. Still I feel reasonably sure that Keeley will repeat his past good performances, with Magnolia quoted at short odds for second place."

### FOR A PUBLIC BATH.

The Expense Will Be Investigated by Council.

The resolution of council providing for a conference between the park committees of both bodies and the Scranton Gas and Water company, relative to the latter's charge for furnishing water for a public bath in the new Nay Aug park, was signed by Mayor Connell yesterday.

It is proposed to have the bath built 50-100 feet and about four feet deep. No exact spot for its location in the park has been decided upon, nor is it certain that the end will be attained. Several members of council realize that the bath is needed and would be approached. The matter will be decided when the amount is known.

### THREE ROBBERIES IN TWO NIGHTS.

Record Being Made Along the Ontario and Western.

Another chapter in the series of burglaries perpetrated up the valley occurred at an early hour yesterday morning at Dickson. The store of W. H. Riedmond, in which is located the postoffice, was entered and the thieves secured a quantity of plunder before being disturbed by the watchman.

Entrance to the store was obtained through a window and while at work were interrupted by the watchman. The successful in making off with shoes, clothing, razors and a small sum of money.

THE TEA DRINKER.

TEAS are among the most delusive goods sold in a grocery. Frequently the most inferior goods are sold at high prices. We have made it a point to make a specialty of the best grade of teas. Prices never were so low. We have good Teas at 25c. and Japans and Oolongs at 50c. that recently sold for \$1 per pound.

Air on the Mountain Delightful, but the Wind Interfered with Good Play—The Attendance Was Slight. Lieutenant Davis and Captain Fisk, of West Point, Are Entitled to Honors—The Different Events in Detail.

The Carbondale Tennis club held its annual tournament at Farview yesterday. The day was a most delightful one, though a strong wind was blowing which somewhat interfered with the play. The crowd that attended was not a large one, but all were enthusiastic, and roundly applauded the many good plays that were made.

N. R. Johnson and F. C. Fuller played remarkably well and succeeded in capturing the first and second prizes respectively for the singles, while they also succeeded in winning the preliminary event in the doubles. The final event in the doubles was postponed until today on account of the lateness of the hour.

The tournament opened with preliminary singles between Moon and Lathrop of Carbondale, won by Moon—6-1, 2-6, 6-1. Lieutenant R. P. Davis, of West Point, defeated Charles Orchard, of Carbondale, 6-1, 6-1. Wilbur F. Sadler and Louis Sadler had both entered the tournament, but on account of absence from the city their events went by default. W. F. Sadler defaulted to Captain W. L. Fisk, of West Point, and L. Sadler to Fuller.

HARD-FOUGHT DOUBLES. In the doubles, after a very hard and well played game, Johnson and Fuller defeated Davis and Fisk, 5-3, 2-6, 6-3. The Sadler brothers defeated to Torrance and Moon, who later defeated Orchard and Lathrop, 6-1, 6-1.

In the single semi-finals Davis and Fuller played a most exciting game, several of the plays being almost phenomenal. Davis at first seemed to have the best of it, but by hard and steady playing Fuller won by a score of 5-0.

**FARRELL STILL AT LARGE.**

The Man Who Brutally Assaulted His Sister-in-Law.

A slight improvement was reported last night in the condition of Mary Law, 338 Railroad avenue, who was brutally assaulted by her brother-in-law, Timothy Farrell, on Tuesday night. The medical attendants are of opinion that with due care she may yet recover moderate health.

Farrell is still at large and various places are mentioned in the locality as his hiding place. The family do not intend to issue a warrant and do not appear anxious for his arrest as they seem confident that the whole matter was an accident. Farrell bears a good character hitherto and has been known in police quarters. County Detective Shea has issued a warrant for his arrest.
